About Us

Wilchester Men's Club (WMC) has over 300 members who are not only involved in the west Houston area, but also play a pivotal role in their businesses and communities. Their significant involvement allows WMC to give back through three charitable pillars:

- Education
- Youth/Community Outreach
- Neighbors in Need

Over the past five years, WMC has given more than \$292,000 to local organizations and people in need. Some of our local giving partners include the Spring Branch Education Foundation (academic scholarships), Family Point Resources (community programs for underprivileged youth), Hurricane Harvey Relief, families dealing with personal tragedy, as well as many others.

The WMC is a 501(c)(3) non-profit organization established for the men of Wilchester, Wilchester West, Nottingham, and Nottingham West neighborhoods. As an organization, WMC has shown to be an excellent steward of its financial resources, touting a program efficiency rating of 91.86% and a cost to raise \$100 at \$5.22. Both benchmarks stand out among even the most efficient and respected organizations.

Your sponsorship will further the great causes the WMC pursues as well as provide sponsors access to its members and its 700+ e-mail distribution list.
